# Physician Bio

Dr. Atler specializes in arthroscopy at New Mexico Orthopaedics, particularly knee and shoulder problems, sports medicine and joint replacements. He has been practicing orthopedics in New Mexico for more than 25 years. After earning his Bachelor's degree from the University of Michigan,

Dr. Atler went on to receive his medical degree at the University of Michigan Medical School. He then completed a surgical internship at Henry Ford Hospital in Detroit, followed by residency at Henry Ford that focused in orthopedic surgery.

After Dr. Atler completed formal medical training, he joined the United States Air Force and served on active duty as Chief of Orthopaedic Services at Sheppard AFB USAF Regional Hospital. He is certified by the American Board of Orthopaedic Surgeons, and his hospital affiliations include Presbyterian Hospital, Anna Kaseman Hospital, Lovelace Sandia Hospital, and New Mexico Orthopaedics Surgery Center.

Dr. Atler additionally serves as a clinical associate professor in the department of orthopedics at the University of New Mexico School of Medicine. He is a member of the Greater Albuquerque Medical Association, the New Mexico Medical Society, New Mexico Orthopaedic Association, New Mexico Workers Compensation and the American Academy of Orthopaedic Surgeons.
