

Don E. Lujan, M.D.

Board-Certified Orthopaedic Surgeon Fellowship-Trained in Hand and Upper Extremity Surgery

Dr. Don Lujan, a New Mexico native, joined New Mexico Orthopaedics in 2007 as an orthopedic surgeon, who specializes in hand, upper extremity and microsurgery.

Dr. Lujan is extremely passionate in caring for each and every one of his patients. He prides himself in his compassionate and committed approach to the care he provides and strives to help all he treats to the best of his ability.

It is very important to Dr. Lujan to be able to assist others in their hour of need and he wholeheartedly believes that giving of himself and his talents through orthopaedic medicine is the best way for him to do so.

Dr. Lujan played collegiate football and was also a track-and-field All American. He is a loving and dedicated family man who enjoys golf, mountain biking and being an all-around outdoors enthusiast.
