

# Samuel K. Tabet, M.D.

## **Board-Certified Orthopaedic Surgeon Fellowship-Trained in Sports Medicine**

Dr. Samuel Tabet, a native of New Mexico, specializes in sports medicine, trauma and reconstructive surgery at New Mexico Orthopaedics.

Dr. Tabet has committed himself to providing cutting-edge orthopaedic treatment options and surgery to his patients for over 20 years. He is dedicated to the delivery of quality care in a safe fashion while returning his patients to an active lifestyle.

Dr. Tabet draws upon his extensive expertise and experience to provide each patient with an educated perspective of his or her diagnosis along with reasonable expectations for recovery.

In addition to serving as a clinical associate professor at the University of New Mexico, Dr. Tabet is the Director of the [New Mexico Cartilage Restoration Center](#) and is on the active faculty of the [New Mexico Orthopaedics Arthroscopy and Sports Medicine Fellowship](#).

Dr. Tabet enjoys a variety of outdoor activities to include snowboarding, diving, hunting, fishing and physical fitness.
